

New Jersey Locally, Empowered, Accountable, and Determined (LEAD)
Category A: Reintegration Service Coordination in Urban Communities in New Jersey
Question Period Ending November 8, 2021

Question: Please confirm if an application is submitted electronically through email whether or not it also needs to be mailed to the state office, as the guidance states 1 original and 4 copies are required but gives the option to email or mail submissions. Per NGO, “One original and four copies of the application shall be delivered via email to: Grants@doc.nj.gov or mailed/delivered to...”.

Answer: If an application is submitted electronically through email it does not need to be mailed to the state office. However, if the submission is through email, five application attachments (one designated as original and copies 1 – 4) must be attached to the email.
